Adventure Places.

Hög Adventure Park. Schneisenfeger Family Coaster.

Everything at the Hög Adventure Park is about Alpine farming and forestry. Lots of playing stations around the Högsee lake offer lots of fun and excitement for all the family. The rustic Seealm Hög restaurant surprises with trendy vegetarian / vegan cuisine and fish specialities. The Schneisenfeger Family Coaster promises fun and action for the whole family. The summer and winter toboggan track runs from the Alpkopf to the Högsee lake; the entry is at the old sawmill, right next to the lake. Playfully back to Serfaus: If you don't want to return with the Alpkopf-bahn, you can easily make your way back to the bottom station in Serfaus via the buggy-friendly wooden ball path. Numerous stations invite you to transport a wooden ball from the mountain to the valley. Wooden balls are available directly at the entrance, and the walking time is approximately 50 minutes.

Murmliwasser. Serfaus.

Water, sand and many interactive play stations guarantee an exciting and varied day at the Murmliwasser. In the large outdoor marmot enclosure, you can watch our marmots as they feed, play or simply hang around. Parents accompanying their children enjoy the Marmot Kiosk terrace with drinks, snacks and homemade ice cream.

Georama Lassida. Serfaus.

The Georama Lassida at 2,350 meters above sea level opens an insight to the world of geology and archaeology for all explorers and hobby scientists. At its linchpin – the giant excavation area made of sand – various fossils are hidden. Equipped with a shovel and a hand brush, the mission is to find them. That's how searching for fossils becomes a true adventure for the whole family. The Lassida restaurant inspires with a panoramic terrace, homemade wood-fired pizza, Tyrolean culinary delights and homemade ice cream.

Summer Fun Park Fiss.

The Summer Fun Park Fiss, located on the Möseralm, is the perfect playground for everyone who loves action. Zoom through the skies at 90 km/h with the Fisser Flieger. The very brave get their thrills from the Skyswing, which runs at three different levels of difficulty. Starting at Möseralm, the 2.2 km long summer toboggan run "Fisser Flitzer" leads you down to Fiss and holds plenty of surprises. You are in complete control when it comes to braking and accelerating. There are loads of other family's attractions to discover: jump tower, trampoline, slacklines, electric cars, water playground, air slide, kids' zoo or the new wooden ball game.

Children's Mine and Golden Man Trail. Fiss.

A giant, called "Golden Man", retreated into the Fiss mountains for some peace and quiet and he grew into the rock. Since then, there has been a seam of gold in the rock – the golden heart of the man. Gnomes dug for the gold until a brave herdsman and his friends stopped them. The quarry was converted into a perfect play paradise. This is where mine workers of all ages can enjoy a range of exciting activities, including balancing devices, climbing frames, a labyrinth and an adventure cave tunnel. That's where the Golden Man Trail begins: 11 educational stops packed with lots of surprises await you along this adventure trail. Below the Fisser Joch ridge lies the Schöngampalm restaurants with a children's farm, bike rental and the Almbahn cable car nearby.

Wolfsee lake. Fiss.

The circular path near Fiss winds harmoniously through the gentle, hilly landscape and is well worth a visit – if only provide a feast for the eyes. On the banks of the lake, a top-class sensory experience for adventurous and curious kids. Here they can playfully learn about the behavior and lifestyle of the lynx, wolf and bear.

Children's Mine. Fiss.

Wode bath. Ladis.

Once upon a time a legendary giant lived in the mystical forest above the Gasthof Neuegg. An oasis of quiet and relaxation with a kids' playground and a barbecue area! A pleasant circular hiking trail runs beside the Wode bath with many amazing and relaxing stations. Not far from the Wode bath is the beautiful and quiet secluded location of the Wode tower at an altitude of 1,487 m, which offers a breathtakingly beautiful panoramic view of Ladis, the Inntal and the Kaunertal valley.

Now the master detectives are needed – they have to find the treasure! But where's the chest hidden and what kind of treasure is inside?

Witches' Trail. Fiss.

⌚ Approx. 3 hours Peppina the little witch and her brother Fips need help! There was an explosion on the Witches' Trail – the two young wizards have blown up the witches' house! Lots of objects have been flung through the air and are scattered along the trail.

Explorers' Trail. Ladis.

⌚ Approx. 2 hour Huh? All of a sudden, all the hikers have shrunk and see everything from an ant's perspective. What happened? All we know is that a strange explorer's house was discovered in the forest. A dream come true for every child with a curious and inventive mind!

Climbing Options.

Via ferratas "Quarzit Wand Burg Laudeck". Ladis.

The "Quarzit Wand Burg Laudeck" via ferratas offer three short but exciting routes for all fans of the climbing sport: „Via Claudia Augusta“ (blue), „Pons Laudes Steig“ (red) und „Laudecksteig“ (black). The routes range in difficulty from A to D. All routes end directly next to Gasthof Rauthof. Breath-taking views of the Inntal valley await all climbers. Note: Please bring your climbing equipment with you.

Climbing Tower and "Bird's Nest Tree". Fiss.

An absolute highlight is the so-called "Bird's Nest Tree". The 6-metre attraction offers climbing fun and little resting baskets to hang out. Climbing enthusiasts can use climbing nets and ropes to reach the scenic "bird's nests". In addition, kids can test their skills on the climbing tower (top rope) with boulder area in the lower part. Colourful, child-appropriate holds and soft mats make this part of the playground a safe climbing paradise. Climbing on the climbing tower is only possible as part of the Mini&Maxi Club program (more information can be found in the weekly programme).

Rappenwand Family Climbing Crag. Serfaus.

Near the St. Georgen hamlet below Serfaus, there's a climbing crag with 19 different routes ranging in difficulty from II to VII. In the midst of the alpine forest, the partly finery and partly flat rock is the ideal climbing challenge for families. We care about your safety! The altitude varies from 5 to 25 metres, and wearing a helmet is compulsory. Climbing equipment and climbing skills necessary.

Caching Park.

The trendy version of a treasure hunt.

Once upon a time, Stone Age men used to throw themselves on their stomachs on the ground to pick up the scent and read the traces of the animals they wanted to hunt. Detectives and inspectors used a magnifying glass to track down evildoers. Nowadays, there's geocaching with a smartphone, QR code and lots of technical intricacies. Take your kids on a modern-day scavenger hunt!

With the Wo-Bä-Lu Cache in Fiss, the Bear Cache and Gold Cache Högsee in Serfaus and the Interactive Village Tour in Ladis, the Serfaus-Fiss-Ladis holiday region offers four geo-caching opportunities for all ages. Simply scan the QR code to download the Serfaus-Fiss-Ladis app, where you can find Geocaching in the top left menu.

Eule Elfi.

Hello dear children, I'm Elfi the Owl and I'll be accompanying you at the Kid's Clubs throughout the 2024 summer season.

Elfi the clever owl lives in a mysterious forest called the Starry Forest. On one particularly hot day, as she prepares to go hunting, she notices an unusual smell and hears children's voices near the mossy rock. She quickly discovers a small fire that the children have unknowingly started. Elfi immediately calls her animal friends Peter the Squirrel, Susi the Rabbit and Ludwig the Stag to help her.

Elfi has a brilliant idea of how to put out the fire. She uses her claws to scoop water out of a crevice in the rock, but the bucket is too heavy. Luckily, the attentive Lina comes to the rescue and holds the bucket. Together with the children, they manage to put out the fire.

The children are overjoyed and grateful for Elfi's help. Lina, the brave little girl from Hamburg, even gives Elfi her favourite pink bag as a thank you gift and asks her to send a postcard from the Starry Forest so that she can always remember her.

Murmli-Club, Murmli Crèche, Mini&Maxi Club.

We kindly ask you to please book in advance. You can book via e-mail to c.geiger@serfaus-fiss-ladis.at or by phone +43/664/4245085 on Sundays from 9am to 12 noon and from Monday to Friday from 9am to 4.30pm.

Only pony-trained kids can be supervised. We kindly ask you for your understanding. Both the Murmli-Club and Mini&Maxi Club are outdoor clubs and offer alternative programmes if the weather is bad. Bring along: backpack, rain jacket, snack and drinking bottle, quality footwear (trainers or hiking boots), sun cream (already applied), sun protection (headwear and sunglasses)

The Murmli-Club, Mini&Maxi Club and Murmli Crèche assume no liability for accidents that occur without the involvement of our staff in the kids' clubs and happen during the childcare hours. Each participant is responsible for their own private accident and liability insurance, and we recommend that everyone has one.
