You are about to receive an adventure trip to the highest mountain, 4.136 m. In the heart of the mountain, you will find exciting details about bees to discover in the bee house, which of course contains real beehives! The interactive adventure park for older kids turns geo-caching into a fun game. At the beginning you download an app with our free Wi-Fi at the restaurant to Fiss. Fun and action are guaranteed. Little racing drivers can get their kicks zooming around the Solarbar. The Skyswing has space for up to 8 people at one time and can be ridden totally safe in a kite-like machine. Centrifugal force and gravity are suspended, your body feels weightless.
