### Lost and Found

#### Lost and Found
- Items lost in the ski resort are stored in an encrypted form and deleted after a certain period of time.
- Our ski passes are subject to the "photo compare" access control system. This means that at the feeder lifts, a photo of the ski pass holder is sometimes taken, which can then be compared with images taken randomly when passing through technically equipped turnstiles.

### Key Card
- Key Cards are valid on all Serfaus-Fiss-Ladis ski lifts and have to be used at the feeder lifts before entering the ski resort.
- The key card is only valid for the individual services to which the ski pass entitles you shall be provided by the legally independent businesses. Only the respective business is therefore obliged to provide the individual services and not the individual businesses.

### Access Controls
- Access controls are carried out by readers in the valley stations of the cable cars. Please follow the piste rescue service, the cable cars and lift stations, the information office and the relevant signs.
- Guests are reminded that according to the Austrian Eisenbahnerhaftpflichtgesetz Liability Act, only guests with a valid ski pass may ride on the ski lifts.

### Snow start: 10.12 – 18.12.2020
