NEWS.

12er-Bahn chairlift with slope improvements

New, child-safe, detachable 8-seater chairlift with heated seats and weather protection hoods. The bottom station of the chairlift is located above the Schöngampalm, while the top station remains at the same location on the Gratabfahrt, 12er Sportiv and 12er Abfahrt slopes. The new stations as well as the chairlifts boast an elegant design. Now that the ultra-modern, high-performance chairlift provides the highest level of transport comfort, all facilities and slopes on the north side are ideally connected.

At the same time, piste improvements were also made on the 12er Abfahrt slope. This was also equipped with a snow-making system. There is also a new connecting slope from the Urgabfahrt slope No. 28 to the new 12er-Bahn chairlift.

Bewitched toboggan run in Fiss

The toboggan run in Fiss shines in new colours from Steinegg to the Kuhalm Fiss and on to the mid station of the Sonnenbahn cable car and has been completely reconstructed. The new roughly three-metre-wide natural toboggan run is set up with a snow-making system and lit up at night. It runs parallel to the Witches' Trail, which can be seen while passing by. It is perfect for toboggan fans both large and small thanks to its gentle slope. As part of the Toboggan evening, you can ride the new toboggan run and enjoy fondue and other delicacies at the Sonnenburg Family Restaurant.

New access tunnel to the 'Parkplatz' (parking area) underground station

Via the new access tunnel, you can reach the underground station 'Parkplatz' quickly, comfortably and, above all, barrier-free.

Piste correction for the Sattel-Süd-Serfaus slope, Mittelabfahrt slope, and connection to the Leithe Wirt-Mittelabfahrt slope

The Sattel-Süd-Serfaus slope is now more than twice as wide as before and therefore much easier and safer. Additionally, access to the Mittelabfahrt slope from the Leithe Wirt is now also possible. In future, access to the mid station of the new Komperdellbahn cable car will also be possible. This new connecting piste ensures that the descent from Leithe Wirt will remain open until the end of the season.
