

Cool beats, kraut and dumplings: let's head to the first SnowArt Genussfestival

Whether on the slopes or in the hut - everything in Serfaus-Fiss-Ladis revolves around culinary and musical enjoyment at the new SnowArt Genussfestival.

The locals of Serfaus-Fiss-Ladis are well aware that indulgence is more than just eating. So, it comes as no surprise that the indulgence experience in the Tyrolean holiday region will be doubled over two weekends in December. This is because on the weekends of 9 to 11 and 16 to 18 December 2022, snow sports enthusiasts and mountain lovers will not only enjoy perfectly prepared slopes and a breathtaking summit panorama, they can also look forward to something very special: between 11.30 am and 3.30 pm, the chefs of selected mountain restaurants will indulge their guests' palates with typical specialities and regional musicians will play merry music.

We recommend building up your appetite, because the culinary offer ranges from crispy suckling pig knuckle to Zammer Sonntagshendl (chicken speciality) and homemade Spritzstrauben (sweet pastry). Whether pear, Swiss stone pine or plum, a further highlight after so many delicacies is a fine noble brandy. Or you can enjoy a glass of "Fisky Imperial", a Tyrolean single malt whisky distilled from original, natural Fisser Imperial Barley. The exuberant beats will have your feet bouncing by now, and there's nothing standing in your way of a few laid-back dance moves.

By the way, the right rhythm is ensured by more than 20 live bands and individual artists featuring a variety of sounds from rock, pop, folk music, funk and Schlager. Of course, blues and jazz fans will not be disappointed either. The Leithe Wirt, the Seealm Hög, the Komperdell Panoramic Restaurant, the Lassida restaurant and the Skihütte Masner will be part of the programme in Serfaus, as well as the Sonnenburg Family Restaurant, the Möseralm restaurant, the BergDiamant Panoramic Restaurant and the Zirbenhütte restaurant in Fiss-Ladis.

Tip: it's time for night-time skiing on the mountain on both Saturday evenings. Then too, neither live music nor culinary delights will be lacking.
